

STM GOES EUROPEAN

(or at least our cars do!)

If you have been behind an SUV or minivan in metro Atlanta, you have spotted the white oval stickers with black initials in the window. These stickers have been used for decades on cars in Europe to represent the cars country of origin. Now, for only \$5.00, your car has the opportunity to go "euro" and stylishly represent our school, all to benefit our STM PTO!

To purchase your eurodecal, please complete the order blank below and return via kidsmail to Susan House, c/o Alec (5-P).
