

## ***Do you PayPal?***

STM has received approval to accept PayPal as a payment option for STM PTO fundraising efforts, including the upcoming Auction on Saturday March 20th. ***In addition to providing the flexibility and convenience that many of you have asked for, it is a secure option in that none of your credit card or financial information will be viewed or retained by STM.***

How will this work at Auction Closeout?

1. At closeout, you will receive a printed invoice indicating the Total Amount Due for your winning items. ***All auction winners will receive this printed invoice, just as they have in past Auction Closeouts.***
2. If you choose to use PayPal, you will be directed to the PayPal Checkout desk where they will ask you to confirm your email address. Otherwise, you will proceed to the Cash/Check Checkout desk.
3. An email message, with a secure link via PayPal, will be sent to your email address in order to submit payment for the items you've won.
4. Open Computer terminals and printer will be available for you to log onto your email account, retrieve the email with PayPal link and submit payment. ***On the backside of this flyer is a picture of what you'll see when you open the secure PayPal Link as well as additional info regarding the PayPal security.***
5. You will receive a followup email from PayPal (almost instantaneously) indicating that your payment has been sent. Print out this message and you're ready to Pick Up your items.

***This payment option is available for those who want the convenience or flexibility of using a Debit or Credit card. We will happily accept cash or checks as well so it is completely your choice to use this PayPal option, or not.***

Although this option will be available regardless of whether or not you already have a PayPal account, it is *strongly* recommended that you set one up ahead of time "just in case" you want the flexibility to use it on Auction night. It only takes a few minutes to do so at [www.paypal.com](http://www.paypal.com).
