

Dear STM Friends:

If you haven't already bought your back-to-school lunchbox, please consider this great option. We've used these environmentally friendly lunchboxes for the last four years. Laptop Lunches are a great way to save money on paper and plastic goods and will help STM as well. A portion of the proceeds will support the school. In addition, you can use the special STM coupon code "thomasmore" for 10% off your purchase.
