Lyrics by 5L and 5P

Double Berry Bubble the Bunjy Jumpy Cat
He was Double Berry Bubble Bunjy Jumpy Cat

There was a cat named Double Berry Bubble
From Paris, France
He heard about a rubber band on the news and said goo goo gaa and said
that is awesome!

He went to the Eiffle Tower and he took a helicopter to the top. His
rubber band was 2 feet and tied it to his ankles.
Before he jumped he said, "Hallelujah!" "Yipee Kaya" and.....he
jumped!

As he was going down he thought about the birds he could eat on the
way down, and the fact that he didn't tell his parents that he didn't tell
his parents that he got an F on his science test, pie, and he got to the
bottom and bounced back up.
