

Gymnastics in Outer Space

Lyrics by 3K

I'm doing gymnastics in outer space.
I'm on earth and I wanna go to Sturn.
So I've got to do a cartwheel and bounce off Mars and the stars.
I'll eat more candy bars and sink onto Tatuine.

I did a split on Pluto with Darth Vader.
I did a handspring on Jupiter with a flying hamburger.
I did a back flip 360 on Uranus with spaghetti and meatballs.

I did a front handspring with a shooting star with my dog named AJ.
He said, arf, arf and Tatuine arf, arf means I need more coffee.
