

Pizza, Pizza, Pizza

Lyrics by 4S and 4W

Pizza pizza pizza, I want pizza

I'm in New York City, with Abe Lincoln

We flew here on a magic carpet

Abe says I want a pizza, let's got to savage pizza

Let's get a pizza

Pizza pizza pizza, I want pizza

Abe Lincoln likes pie, mayo, onions, gummy people, peanut butter,

fish skins, pennies, hair on his pizza.

Pizza pizza pizza, I want pizza

I like pepperoni, pineapple, eyeballs, cheese, bananas, pencil lead

on my pizza

Pizza pizza pizza, I want pizza
