STM TEACHER'S WISH LIST

TEACHER: **Heather Kloer (Thanks!)**

GRADE/SUBJECT: Computer

DATE:11/21/2005

ITEM	DESCRIPTION	QTY
Macromedia Contribute 3	This program allows teachers to contribute their content to the website, something I would like to investigate (89.95 through http://www.academicsuperstore.com)	1
DREAMS		
HP Officejet d155xi All-in-One Printer, Scanner	I have one of these in the lab, but having 2 would mean more consistent and faster printing and the ability to do more lessons with the scanner.	1
Subscription to Atomic Learning	This is an online software and tutorial provider that I could project to students as they try the different steps on their computers. Available http://www.atomiclearning.com for $79.99 @ year	1
